The grapes for our 1995 Cabernet Sauvignon were selected from several vineyards in the prestigious grape growing areas of Central Coast. These vineyards were chosen in order to combine the unique attributes of each vineyard into an elegant, complex, and ready to drink wine, to be enjoyed with all pasta and red meat dishes.

When in Los Angeles we invite you to visit our family owned winery, a Southern California landmark since 1917. We offer an extensive tasting room and one of the area's most popular restaurants. For more information please call (213) 223-1401.
